Kit designed for application on light and dark fabrics with a high cotton content

!We put color to your imagination!

Tintuprint

Base + Pigments

PCOLOR PREPARATION

Color 50 grams of base corresponding to the color of the fabric (a fifth of the content of each pot) with 1 to 2 grams of Tintuprint pigment dispersion. ALL OUR COLORS ARE INTERMIXABLE!

APPLICATION

Apply the colored base on the fabric or garment.

YOU CAN WEAR ANYTHING! Brush, roller, stencil, brush, sponge, spray, airbrush...

Let your imagination run wild!

TFINISHING AND FIXING

Fix the design to the fabric or garment, you do not want it to be lost in the wash. Let it air dry for 72 hours. If you want to speed up the process, you can use a hair dryer or a clothes iron, we recommend ironing the design by covering it with a sheet of bond paper.
